

## *PluggedIn Virginia Welding Program*

Randall McGlothlin is enrolled in the PluggedIn Virginia Welding Program at Southwest Virginia Community College and has a job with a mining equipment company.

Randall earned his GED<sup>®</sup> credential and Career Readiness by attending the GED<sup>®</sup> Book Program at the VADOC District 43 Probation and Parole office in Tazwell County. After graduating, he returned to the program as a tutor. He plans to pursue an Associate's degree.
