

## VAACE Success Story Template

Adult education success stories come in all shapes and sizes. We generally think about our learners' successes in achieving their goals, and that is certainly the centerpiece of our work. Let's broaden our definition of "success" to include

- successful classes
- partnerships and employers
- instructional strategies
- methods for implementing CCRS or IET
- special projects / innovation
- outreach campaigns
- staff meetings
- professional development and PLCs
- leadership efforts
- learner success

Submitting a success story to VAACE is as easy as answering these questions:

Your Name:

Your Region:

Category (from list above):
